Will County Building Permit: _____

Section 150.008-B-9 of the 2014 Will County Building Ordinance requires submittal of a soil report for new commercial and industrial applications unless waived by the Chief Building Official.

1. I, the undersigned and permit holder, hereby certify that a soil report must be submitted to the Will County Land Use Department for review and approval prior to pouring footings, foundations, and / or slabs for the structure subject to the above referenced building permit.

2. I, the undersigned and permit holder, hereby certify that I am proceeding at my own risk without assurance of soil conditions. I further affirm my understanding that an unsatisfactory soil report or soil report containing recommendations that deviate from existing plans will result in issuance of a stop work order. The stop work order shall not be released until revised architectural plans are submitted to the Land Use Department for review and approval.
