Will County Building Permit: _____

Section 106.3.3 of the 2012 International Residential Code states that the building official is authorized to issue a permit for the construction of foundations or any other part of a building or structure before construction documents for the whole building or structure have been submitted, provided that adequate information and detailed statements have been filed complying with pertinent requirements of the code. The holder of such permit for the foundation or other parts of a building or structure shall proceed at the holder's own risk with the building operation and without assurance that a permit for the entire structure will be granted.

I, the undersigned and permit holder, hereby certify that I am proceeding at my own risk without assurance that a permit for the entire structure will be granted, and

I, the undersigned and permit holder, also certify that I am aware of the additional requirements that must be complied with before work beyond the scope of work authorized by issuance of this permit may commence.
